SongSisters' soaring harmonies, engaging lyrics, and wit make an immediate connection with the audience's imagination and hearts. Their distinctive styles come together to create something unexpectedly new. **SongSisters** captivate by sharing their sense of wonder and joy, reminding the audience of who they are and their own power in the world.

SongSisters – Sue Fink, Patti Shaffner, and Amy Dixon-Kolar – are award-winning singer/songwriter friends who discovered that their own distinctive styles blend together, creating something richer than the individual, stronger as a whole. They delight in and celebrate each other's music: each "sister" takes the lead on original songs, the others adding exquisite harmonies and instrumentation. Audiences enjoy their diverse repertoire of original and thoughtfully chosen cover songs.

They perform at benefits, music series, house concerts, festivals, and live radio shows; their **SongSisters LIVE!** CD (2013) has received national airplay (as have their individual CDs, on which **SongSisters** frequently make guest appearances).

"Top shelf talent times three and a pure delight! Sue Fink, Amy Dixon-Kolar, Patti Shaffner ... are outstanding solo artists who shine alone, but together become a solar force to be reckoned with, as they exchange their superb songs along with exceptional harmonies, friendly bantering and spot-on humor--great music and great entertainment from these lovely ladies!" – **Lilli Kuzma, host, "Folk Festival," WDCB 90.9 Public Radio**

"SongSisters bring such a warm and joyful presence to the stage. Each of them is also a strong songwriter and vocalist who... successfully performs alone, but when they combine their talents the result is magical!" – **Jane Schreiner - Front Porch Music**

"SongSisters packed the place and I noticed that many in the audience were smiling from their ears."
– **Scott Engstrom, The Lake County Folk Club**
